AgriTours Canada Inc./Royal City Travel - would be pleased to quote on your travel, health and baggage insurance. Please note that ALL participants are requested to obtain, at the least, medical insurance to cover the trip. Trip Cancellation insurance packages that include your health insurance are your most economical purchase as the health insurance is included at a discounted rate in the "package pricing" with a saving of up to 30% over buying them individually. Standards, accommodations, utilities, and services at the destination may be different from those of Canada. Entry to another country may be refused even if required information and documentation are complete. Trip Cancellation insurance is highly recommended! Travel and health related insurance can also be booked with your local travel agent.
